ZERO TRUST SECURITY FILTERS

Done-For-You Cyber Security Essentials

Until now, it took only one misstep by a single worker to bring your business to a grinding halt. Kiss those days goodbye! Zero Trust delivers:

ESSENTIAL CYBER SECURITY
Protects networked PCs & Servers

PROACTIVE SHIELDS
Stop ransomware cold & reject "zero day" viruses before trouble starts

PERMISSION LISTS
Unregistered applications are blocked

24x7 CYBER SUPPORT
Online access to cyber experts to update security filters

AFFORDABLE PROTECTION
No need for in-house technical support
